## **BUILDING FUN FUND LAUNCHES FIRST FUNDRAISER AND AWARENESS CAMPAIGN**

*Collectible and customizable postcards help spread the word about Ottawa's Charity Park*

**[Ottawa, ON – 22 September 2025]** – The Building Fun Fund (BFF) is proud to announce the launch of its first official fundraising and awareness campaign. Beginning today, supporters can order limited-edition postcards directly from the official BFF website at [www.buildingfun.ca](http://www.buildingfun.ca).

Each postcard highlights BFF's signature project – Ottawa's Charity Park (OCP), a new not-for-profit family amusement park planned for the National Capital Region – and gives supporters the opportunity to include a personalized message.

*“These postcards are a fun way to get involved right from the start. Each one helps us build something special for families – and helps others learn about what's on the way for Ottawa.”*

– Todd Mattila-Hartman, President, Building Fun Fund Inc.

The postcards are available in 4-packs for \$25.00, plus HST, exclusively through the BFF online shop. Funds raised through this initiative will help support early planning and outreach efforts for the park's development.
